

School Vision and Values

Sandford Primary stakeholders have agreed the following:

Learners are encouraged to:

- take responsibility for their own learning within school and at home
- reflect on their learning, the skills they are developing and how they fit into learning, life and work

Parents/Carers can assist this by:

- supporting children with their learning at home and discussing daily school life
- reviewing and commenting on targets throughout the academic year

How did I get on this week? (Effort and attitude.)
