

Adverse Weather Activities for P1-3

General Activities	Keep a weather diary - draw the scene from your window or write about the weather each day.	Do 5 things around the house to help your parents or family	Play board games	Design an outfit/vehicle/gadget for snowy weather	Build an obstacle course inside or out
Literacy Activities	Read your reading book or any reading material of your choice for 15 minutes.	Practise writing your phonics/spelling in the snow.	Choose a favourite character from a book and imagine what they would do if they were stuck in on snowy day.	Review a film / tv program you have watched. You can write, film or record this.	Make a list of as many winter related words as you can. If you can sort these into nouns/verbs/adjectives
Numeracy Activities	Empty your piggy bank or ask an adult if you can empty their purse/wallet. Sort the coins/count the total.	Practise your number bonds to 10/20/100. Practise any times tables you know.	Build a snowman -Measure how tall and wide it is (in standard or non-standard measurements such as hands or standard measurement such as centimetres) -Explore the number of different faces you can give your snowman using the same set of materials, e.g. a carrot, 3 large stones and 6 small stones	Make snowballs -Order them by size -Make the biggest /smallest snowball you can -Measure how far you can throw them	Make a snow angel and measure it (in standard or non-standard measurements such as hands or standard measurement such as centimetres) Ask some friends/ family to make angels too and compare them.
